

C.E. Finale 2009

This program will provide pharmacists with the opportunity to select from a wide array of continuing education programs, including coverage of law. Participants may select from one to eight hours, choosing those topics that best meet their needs.

7:30-8:00 a.m. – Registration and Continental Breakfast

8:00-9:00 a.m. - Pharmacogenomic Considerations in Cancer Care – Rowena Schwartz, PharmD, BCOP; Resource Co-Director; Sidney Kimmel Comprehensive Cancer Center; Johns Hopkins Medical Center

At the conclusion of this presentation, attendees will be able to:

1. Describe the basic concepts of pharmacogenomics
2. Identify the common gene polymorphisms that direct selection of cancer therapy
3. List the oncology-related drugs in which the US Food and Drug Administration requires pharmacogenomics testing before administration

UAN. 009-000-09-055-L04-P (0.1 CEU or 1 contact hour)

9:00-10:00 a.m. - Update on Supportive Care in Oncology: Palliative Care and Symptom Management – Alison Lane-Retiker, MD; Medical Director; VITAS Innovative Healthcare

At the conclusion of this presentation, attendees will be able to:

1. Define palliative and hospice care
2. Describe the common symptoms that oncology patients experience during palliative care
3. Discuss the treatment of common symptoms that oncology patients experience
4. Discuss pain management issues at the end of life
5. Discuss the appropriate treatment strategies for constipation from the opiates

UAN. 009-000-09-054-L01-P (0.1 CEU or 1 contact hour)

10:00-11:00 a.m. - Update on Supportive Care in Oncology: Chemotherapy-induced Nausea, Vomiting and Mucositis – Christy Harris, PharmD; Assistant Professor; Massachusetts College of Pharmacy and Health Sciences

At the conclusion of this presentation, attendees will be able to:

1. Evaluate existing data, including evidence based guidelines, for the prevention and treatment of chemotherapy-induced nausea and vomiting
2. Recommend an appropriate antiemetic regimen for a cancer patient who has breakthrough nausea and vomiting
3. Explain the challenges of preventing and/or treating mucositis
4. Describe the current treatment options for mucositis

UAN. 009-000-09-053-L01-P (0.1 CEU or 1 contact hour)

11:00-12:00 p.m. Class-Effect Toxicities of Targeted Therapy – Man Yee Merl, PharmD; Oncology Clinical Pharmacist, Yale-New Haven Hospital

At the conclusion of this presentation, attendees will be able to:

1. Describe the potential mechanisms and risk factors for hypertension, cardiotoxicity, and rash associated with targeted therapy
2. Recommend appropriate monitoring for toxicities associated with targeted therapy
3. Describe treatment strategies for the toxicities inhibitor associated with targeted therapy

UAN. 009-000-09-052-L01-P (0.1 CEU or 1 contact hour)

12:00-1:00 p.m.

New Oral Cancer Chemotherapy-Efficacy and Safety – J. Andrew Skirvin, PharmD; Associate Clinical Professor; Northeastern University

At the conclusion of this presentation, attendees will be able to:

1. Describe the mechanisms of action and indications with new oral agents
2. Identify common adverse effects and drug-drug interactions with new oral chemotherapy agents
3. Describe the dosing considerations with new oral chemotherapy agents
4. Describe the safe use and dispensing issues related to oral chemotherapy

UAN. 009-000-09-051-L01-P (0.1 CEU or 1 contact hour)

1:00-2:00 p.m.

Reimbursement Issues in Oncology – LAW – Lisa Holle, PharmD, BCOP; Director, Medical Writing, Syntaxx Communications

At the conclusion of this presentation, attendees will be able to:

1. Compare and contrast the Medicare Part B and D reimbursement 2009 to 2010 rules that affect the care of a cancer patient
2. Identify billing and reimbursement issues associated with oral chemotherapy
3. Describe the status and challenges of erythropoiesis-stimulating agents reimbursement

UAN. 009-000-09-056-L03-P (0.1 CEU or 1 contact hour)

2:00-3:00 p.m.

Integrative Therapy in Cancer Care – Trinh Pham, PharmD, BCOP; Assistant Clinical Professor, University of Connecticut, School of Pharmacy

At the conclusion of this presentation, attendees will be able to:

1. List the popular integrative therapy modalities used by oncology patients
2. Describe the evidence for effectiveness of the modalities for specific indications
3. Describe any drug-drug interactions associated with the therapies
4. Discuss counseling points for patients who are using or want to use integrative medicine therapies for oncology conditions

UAN. 009-000-09-057-L01-P (0.1 CEU or 1 contact hour)

3:00-4:00 p.m.

Late Effects for Cancer Therapies – Nina Kadan-Lottick MD, MSPH; Assistant Professor of Pediatrics; Yale University School of Medicine and Medical Director; HERO's Program; Yale-New Haven Hospital

At the conclusion of this presentation, attendees will be able to:

1. List the cancer therapies which are associated with long-term toxicities
2. Describe the appropriate long-term monitoring of cancer therapies
3. Discuss the management of long-term complications associated with cancer therapies

UAN. 009-000-09-058 L01-P (0.1 CEU or 1 contact hour)

Registration Information

Online: www.pharmacyce.uconn.edu

Mail: Complete the registration form, enclose full payment and mail to:
Solomon and Associates Event Management
2377 Main St., 2nd Floor
Glastonbury, CT 06033

Onsite and late registrations received after Wednesday, December 10th will incur a \$15.00 additional fee. The University reserves the right to limit registration based on seating capacity, even in cases in which the deadline is met.

Directions and parking information will be included in your confirmation letter.

A continuous class schedule format will be used. This format does not include breaks or lunch period. While no lunch will be served, light refreshments will be available at various times throughout the day. Fee includes handouts and refreshments.

NOTE: Temperature/comfort requirements of registrants may best be met by “layering.”

Refunds and Cancellations

The registration fee, less a \$50 processing fee, is refundable for those that cancel their registration 3 days prior to the program (by December 15). After that time, no refund is available. Participant substitutions may be made at any time.

Further Information

For registration questions or assistance, please contact Ramon Alvero, (860) 657-3331. For event information or questions, please call the Office of Pharmacy Professional Development at (860) 486-2130 or 860-486-2128.

Location

The C.E. Finale will be held in the Lewis B. Rome Commons Ballroom located on the second floor of South Building D. on the Storrs Campus. The Ballroom is conveniently located near large parking lots and a parking garage. A campus map with directions will be sent upon receipt of registration. Campus maps can also be accessed on our website: www.uconn.edu/campuses/storrs.php. Rome Commons Ballroom is located a very short distance from the Nathan Hale Inn and Conference Center. If you require overnight accommodations, please call the Inn directly, at (860) 427-7888.

Continuing Education Units

The University of Connecticut, School of Pharmacy, is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Statements of Credit will be awarded based on sessions attended and completed evaluation forms and will be mailed within 6-8 weeks of the program.

Program Support

As of November 3, 2009, this pharmacy educational activity has been supported by an educational grant from Celgene Corporation.
