The 34th Annual Arthur E. Schwarting Pharmacy Practice Symposium:
Collaborative Drug Therapy Management (CDTM) as a Tool for Medication Therapy Management (MTM) Across Multiple Practice Settings

Collaborative drug therapy management and medication therapy management are common terms in pharmacy practice today. Many practitioners are pondering the ways in which these activities fit into their practice. This symposium is designed to build awareness and educate you on the ways these activities have enhanced the practice of pharmacy in several practice settings (community chain, hospital and independent community). We have invited nationally recognized pioneers in the field and have provided the venue for you to explore their barriers and successes in implementing CDTM and MTM into their practice.

May 26, 2011
3:00–8:30am  Check-in/Continental Breakfast

8:15–9:15am
8:15–9:15am

9:15–10:30am
10:30–10:45am
10:45–12:00pm
12:00–1:00pm
1:00–2:30pm

Panel Discussion (Continued)
Lunch
Reimbursement and Legal Issues with Medication Therapy Management and Collaborative Drug Therapy Management
Robert Daniel Buffington, PharmD
President and CEO
Clinical Pharmacology Services
Tampa, FL

At the conclusion of this activity, pharmacists will be able to:
1. Describe a variety of CDTM programs as a component of MTM services offered by pharmacists
2. Identify barriers to implementation of CDTM services
3. Describe effective ways to overcome the barriers to implementation of CDTM services
4. Identify high priority issues to bring to physician collaborators when justifying CDTM services

At the conclusion of this activity, pharmacists will be able to:
1. Describe which types of CDTM by pharmacists are reimbursable
2. Identify methods for MTM-related service reimbursement
3. Describe liability issues associated with CDTM and how to minimize liability
4. Differentiate reimbursement strategies by CMS and private insurers for CDTM programs

Location
The Symposium will be held in the Lewis B. Rome Commons Ballroom located on the second floor of South Building D on the Storrs Campus (626 Gilbert Rd., Extension). A campus map with directions will be sent upon receipt of registration.

Refunds
The registration fee, less a $50 processing fee, is refundable for those that cancel their registration before May 23, 2011. After that time, no refund is available. Participant substitutions may be made at any time.

Further Information
For registration questions or assistance, please contact Ramon Alvero, (860) 657-3331. For event information or questions, please call the Office of Pharmacy Professional Development at (860) 486-2130.

Continuing Education Units
The University of Connecticut, School of Pharmacy, is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education and will award a total of 0.50 live CEUs (5 contact hours) for pharmacists in attendance for the full day that complete an online evaluation. Partial credit will be awarded for those who arrive late or leave early. One contact hour or 0.10 CEU (ACPE #009-000-11-017-L04-P); will apply to law and four contact hours or 0.40 CEUs (ACPE #009-000-11-017-L04-P); will apply to the remainder of the day. Statements of credit will be available via an on-line system unless partial credit is necessary. Partial credit statements will be mailed within 4 weeks of the activity.

Activity Support
At the time of printing, there have been no educational grant funds secured.
